Special Parish Council Meeting 7:15pm Wednesday 6 July 2016 Kettlewell Village Hall

Agenda

To admit Jennifer Mary Howarth to be an honorary freeman of Kettlewell with Starbottan Parish.

Background

This proposal is being made in light of Jennie's exemplary service to the parish.

Jennie has from many years undertaken a wide range of unpaid, often thankless tasks, including: inaugurating the scarecrow festival and making hundreds of scarecrows; building Kettlewell's plant tubs, then planting and caring for them; establishing the toddlers group and the youth club; churchyard grass strimming and maintenance; emptying the dog waste bins; and running coffee mornings.

Without Jennie's work, the environment and society of the parish would be a much poorer place.
