Grass cutting contractor wanted

Kettlewell with Starbotton Parish Council are seeking a grass cutting contractor to do six cuts spread throughout the summer to five areas:

- part of the Village Green in Starbotton
- the Village Green in Kettlewell (the top of the village)
- the children's playground grass in Kettlewell
- the children's playing field in Kettlewell
- the area near the River Wharfe bridge in Kettlewell

All cut grass should be removed from site or spread thinly over the surface, so it does not interfere with enjoyment of the area.

We are seeking to appoint someone for three years (starting spring 2018 – ending autumn 2021). If you are interesting in this work, please supply a quotation covering the three years work, not later than Thursday 30th November 2017.

Sara Spillett
