1 member of the public

Chairman, Councillor C Lister, prepared the following statement;

Thank you to everyone in the parish who has helped somebody to achieve the normal day to day tasks that have been made difficult or impossible by the Covid 19 pandemic and the restrictions this brought. The spirit needed to help others is always there in our community, it just becomes evident and appreciated at difficult times.

Thank you to everyone that gives their time free of charge to the parish. Over the course of the year this amounts to a huge amount of work that often gets unrecognised.

Thank you to our Clerk, Mrs Louise Close for her work throughout this year, helping the parish council through months of remote meetings due to the pandemic.

Lastly we as a council and as a community need to recognise the efforts of a group of local people that operate a voluntary crime watch scheme day and night 7 days a week. It has proven to be really effective in catching criminals & preventing crime. The efforts of the volunteers involved are beneficial to everyone and without doubt reduces crime rates in the area. Their time and money spent operating this system really needs to be appreciated and applauded.
